## PRESIDENT'S MESSAGE

Vicki Hightower  
2018-20 SIR President

*"What you do makes a difference and you have to decide what kind of difference you want to make." ... Jane Goodall*

Happy Holidays everyone! I can't believe we are nearing the end of 2019. It feels like we just celebrated the New Year!

As we reflect back on the past year, we can all take pride in knowing that we are making a difference in the lives of women and girls, not only locally, but throughout the world.

Things that we may take for granted, such as having a washer and dryer in our home, make an incredible difference to the working mom who struggles to make ends meet.

The scholarships and monetary awards we give to women and girls make a difference. These scholarships and awards are more than just money, they communicate to the award winners that they are special, they are supported, they are loved.

As we gear up for our "big" projects, the Valentine Dessert Auction and, my favorite, the Live Your Dream: Dream It Be It conference, we are motivated by the certainty that we are making a difference and we are empowering women and girls to achieve their dreams.

I am so proud to be part of the amazing group of women who are Soroptimist International of Riverside. Thank you for all you do to make a difference.

Vicki Hightower  
2018-20 President

out universal values and a common standard of achievement for all peoples and all nations. It establishes the equal dignity and worth of every person. Thanks to the Declaration, and States' commitments to its principles, the dignity of millions has been uplifted and the foundation for a more just world has been laid. While its promise is yet to be fully realized, the very fact that it has stood the test of time is testament to the enduring universality of its perennial values of equality, justice and human dignity.

The Universal Declaration of Human Rights empowers us all. The principles enshrined in the Declaration are as relevant today as they were in 1948. We need to stand up for our own rights and those of others. We can take action in our own daily lives, to uphold the rights that protect us all and thereby promote the kinship of all human beings.

- The Universal Declaration of Human Rights empowers us all.
- Human rights are relevant to all of us, every day.
- Our shared humanity is rooted in these universal values.
- Equality, justice and freedom prevent violence and sustain peace.
- Whenever and wherever humanity's values are abandoned, we all are at greater risk.
- We need to stand up for our rights and those of others.

## SOROPTIMIST INTERNATIONAL

### **SI ROAD TO EQUALITY #ENDFGM & THE SOROPTIMIST SIX**

Soroptimist International is delighted to announce its first collaboration on The "Road to Equality," the 2019-2021 SI President's Appeal. Working with the highly influential Global Media Campaign (GMC) to "End FGM," SI Road to Equality is to support the Soroptimist Six, inspired and determined women activists making a difference in their own countries, to bring Female Genital Mutilation (FGM) to an end.

In Africa, Global Media Campaign will work with local activists who know best how to mobilize to transform norms and mindsets within their communities, helping them to access funds to support their work, particularly within the media, to end FGM and violence against women and girls.

Through its renowned media academies, GMC trains and empowers FGM advocates, educating them in the use of the latest technologies so they may be more effective in getting their message out and increasing awareness of how FGM destroys lives. Through national events, GMC brings together survivors, activists, leaders and journalists to witness first-hand how FGM impacts the lives of women and

girls. Graduates of the media program go on to create their own powerful messages – specific and relevant to their regions and networks – giving them the capacity to open up space for real conversation and real change.

With your help, The SI Road to Equality is to provide Direct Action Grants to fund six graduates in their fight against FGM. Your donations will empower the Soroptimist Six with the valuable tools and opportunities needed to gain airtime on radio and television, to accelerate and maximize their message, so that they may become a voice for the voiceless and drive the campaign against FGM forward.

Maggie O'Kane, Executive Director of the Global Media Campaign to End FGM, and former award-winning foreign correspondent for the Guardian newspaper says: "We are genuinely excited about the Soroptimist Six being backed by Soroptimist International and the membership around the world. This is the epitome of female solidarity tackling one of the greatest feminist issues of our time...the mutilation of women. It is the Soroptimist sisters standing up for their mutilated sisters and their daughters. What a call to action."

SI and GMC will be introducing each of the Soroptimist Six over the course of the 16 Days of Activism against Gender-based Violence which runs from November 25th to December 10th.

**NOVEMBER 21, 2019  
CALIFORNIA PIZZA  
KITCHEN & NOTHING  
BUNDT CAKES  
FUNDRAISER**

On a beautiful November day, Soroptimist members and friends entered the California Pizza Kitchen (CPK) to enjoy a meal.

Many thanks to you for supporting the California Pizza Kitchen and Nothing Bundt Cakes fundraisers on Thursday, November 21st.

While there I saw a lot of SI Riverside members and their friends/business associates.

Thanks to you, SI Riverside raised \$237—about \$70 more than last year!

In addition to this, Annamarie Megrdichian's fundraising amount from Nothing Bundt Cakes will be added to CPK's total.

The total will go to help the Live Your Dream: Dream It, Be It Conference.

Again, thank you. It was a fun time.

**INSPIRE LIFE SKILLS TRAINING**

Inspire Life Skills Training provides supportive housing for former foster and homeless youth. The residents have a safe place to live as long as they are seeking an education whether at a technical school or at a college.

SI Riverside adopted the Luther House in Riverside in 2016 and has continued over the years to provide little extras to help the young ladies in their educational journey such as household supplies, hot meals, groceries, gift cards, holiday baskets and letters of encouragement.

Recent holiday activities included Melanie McKee taking Thanksgiving dinner to the residents of Luther house a few days before the holiday.

We will also be putting up Christmas lights on Luther house and my friends will be providing Christmas items that we will take to the residents in a few weeks.

It's our goal to help the residents of Luther house have a wonderful and memorable holiday season and I thank everyone (members and friends) who have helped to make this happen.

**COMMUNICATION FROM SI ERLANGEN, GERMANY**

Hello everyone! Yesterday we received your always very interesting newsletter and read about Theresia's visit. (*We knew her as Resi.*)

Theresia gave a very inspiring talk/recap of her visit to Riverside at our meeting and everyone was so impressed about all the great things you made possible.

I'd like to take the opportunity to thank you so very much for all you did! Please give our best regards to everyone in your club.

We're looking forward to hosting a young woman from Riverside here in Erlangen next year.

All the best,

Gertrud Dingermann

**Recruitment Tip:  
Volunteering -  
It's Good For  
You!**

When you recruit new members in your community, you probably talk a lot about how much you love your Soroptimist club! You have likely discussed our Dream Programs and how good it feels to help empower other women.

Did you know that science backs this up and more? Research reflects the feel-good social

benefits of volunteering as well as physical health benefits!

Volunteers like Soroptimists who are committed to a cause and spend significant time each year on volunteer activities may experience:

- Lower mortality rates
- Lower blood pressure
- Higher functional ability
- Sense of purpose and life satisfaction

Who wouldn't want these benefits? In particular, studies show that these benefits are demonstrated most clearly in individuals who spend at least 100 hours per year volunteering. That's just a couple of hours each week. As dedicated Soroptimist members we spend lots of time attending club meetings, planning events and carrying out our programs.

Next time you're recruiting new members, remember that science is on your side! By joining your club, a new member will enjoy all of the benefits of Soroptimist membership - our mission, connections to like minded women and support from Headquarters.

They also should experience a boost in mental and physical health as well as they enjoy the friendships they build with other members and the satisfaction of helping others! Bring up the holistic benefits of membership and talk about the ways your own life has improved since joining. This will show your prospect that membership will be good FOR her!

**OTHER MEMBER MOMENTS**

What a lovely day several of us recently spent with Glenda Richards, a forty-plus year past member of SI Riverside. Ellen Clizbe, Carolyn Kegarice, Jeanne Hatcher and I drove to Hemet on November 11th to reminisce about our good old days together as well as share with Glenda what we are currently doing in SI Riverside. For those of you who weren't fortunate enough to know Glenda, she is an amazing woman and an exemplary Soroptimist. She was SI Riverside President in 1981-1983 and 1998-1999 and held most other club board positions including that of Treasurer for an extended length of time in addition to being our Valentine Dessert Auction Chair for many years. Glenda also served on the Golden West Region Board as Region Treasurer and she was a Laurel Society member.

If any of you would like to send Glenda a card or letter, you can address it to:

Or, better yet, pay her a visit. She would love that!
