PRESIDENT'S MESSAGE

Edith Gingerich
2020-21 SIR President

As we near the end of 2020, we can all agree that this has been one of the most difficult years in recent history. The COVID-19 pandemic worldwide has caused financial, educational and social disruption across the globe not to mention the thousands of deaths that families now mourn.

But in the face of such difficult times, I am so proud to be a part of Soroptimist International of Riverside! The strides our club has made in transitioning to a "virtual" world is astounding! The resilience and determination to assist women and girls and celebrate their accomplishments shown by our members this year is something we can all be very proud of.

I'd like to take this opportunity to thank each of you for your dedication and hard work and wishing each of you and your

families Happy Holidays, Merry Christmas and Happy Hannukah!

Sincerely yours,

Edith Gingerich

SOROPTIMIST INTERNATIONAL

WHERE WE STAND THE GIRL CHILD

The status of girls continues to be hindered by the persistence of gender discrimination preventing them from enjoying their basic rights, although some progress has been made in the implementation of international treaties and conventions on the rights of the child with significant improvements in the lot of girls who are better educated, better cared for and protected in many countries.

Recent research, however, demonstrates there is still more progress to be made. The current crisis situations responsible for mass migrations of the populations involved have had a detrimental effect on women and girls with, for example, disruption of education and healthcare.

The progress of the future society is still hampered by the obstacles faced by girls in the full development of their abilities. The Sustainable Development Goals will not be achieved by 2030 if half of the current youth are prevented from contributing to the implementation and decision making which will affect their lives in the future.

WHERE SOROPTIMIST INTERNATIONAL STANDS

These are the principles that Soroptimist international strongly supports and will advocate for and on behalf of women and girls, believing education of girls is a key:

- Soroptimists support all actions of governments, intergovernmental institutions and civil society to promote, improve and enable the schooling of girls, on an equal basis with boys, their attendance in school during the 12 years of primary and secondary education and their access to STEM courses (science, technology, engineering & mathematics). Soroptimists encourage all governments to create or ensure girl-friendly physical environments in schools, such as proper sanitation facilities, clean water in schools, safe transport to and from school, provision of school supplies and provision of school meals.
- Soroptimists encourage all governments to take legal measures to prevent, control and sanction violent practices and particularly child domestic labor, mutilation, early marriage, harassment and rape.
- Soroptimists encourage and support health campaigns, especially in schools, to protect and improve girls' health and prevent early pregnancy and diseases such as HIV.
- Soroptimists will raise awareness of girls on their rights to defend themselves against gender injustices and discrimination enabling them to find support and recourse

against any form of violence when they are victims.

- Soroptimists encourage advocacy and global campaigns to raise awareness and more particularly educate and inform the youth of the world to fight against discrimination and gender prejudice.
- Soroptimist International is concerned about the decline in the status of women and girls who are forced into exile or living in regions in conflict and calls for special international protection for girls in this situation.

DECEMBER 10, 2020 INTERNATIONAL HUMAN RIGHTS DAY

Human Rights Day is observed every year on December 10th - the day in 1948 that the United Nations General Assembly adopted the Universal Declaration of Human Rights (UDHR).

The UDHR is a milestone document that proclaims the inalienable rights which everyone is entitled to as a human being regardless of race, color, religion, sex, language, political or other opinion, national or social origin, property, birth or other status. Available in more than 500 languages, it is the most translated document in the world.

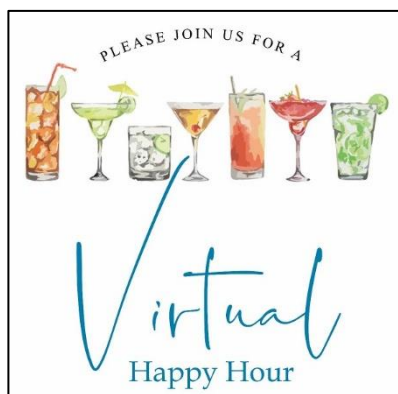

**2020 THEME:
RECOVER BETTER - STAND UP
FOR HUMAN RIGHTS**

This year's Human Rights Day theme relates to the COVID-19 pandemic and focuses on the need to build back better by ensuring Human Rights are central to recovery efforts. We will reach our common global goals only if we are able to create equal opportunities for all, address the failures exposed and exploited by COVID-19 and apply human rights standards to tackle entrenched, systematic and intergenerational inequalities, exclusion and discrimination.

December 10th is an opportunity to reaffirm the importance of human rights in re-building the world we want, the need for global solidarity as well as our interconnectedness and shared humanity.

Under UN Human Rights' generic call to action "Stand Up for Human Rights," we aim to engage the general public, our partners and the UN family to bolster transformative action and showcase practical and inspirational examples that can contribute to recovering better and fostering more resilient and just societies.

**NOVEMBER 17, 2020
VIRTUAL HAPPY HOUR**

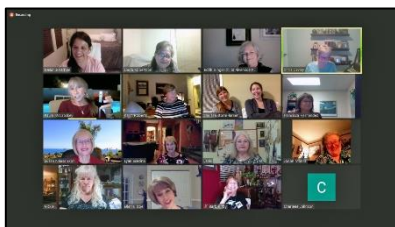

In lieu of our program meeting on Tuesday, November 17th, SI Riverside held a Virtual Happy Hour via Zoom that was attended by 16 members and guests.

Our president Edith Gingerich welcomed everyone and each member had the opportunity to introduce herself and tell what Soroptimist means to her and what position or committee she is involved with.

Five guests were given the opportunity to introduce themselves and several were familiar with our programs and events.

Thanks to Melanie, we played "Handbag Scavenger Hunt" and prizes were awarded to those who found the most items in their purses.

This was a relaxed, fun time together and it was good to spend time with each other outside of our regular meeting.

We will be scheduling one of these meetings again soon, I am sure.

**INSPIRE LIFE SKILLS
TRAINING**

The young ladies of Inspire House are busy, busy, busy as are the lovely ladies of SI Riverside. Setting a time that will work for all when delivering dinners and other things we provide for them can be tricky. Vice President Melanie McKee signed up to provide dinner in October. Scheduling conflicts delayed the dinner to November 2nd.

Melanie ordered large pizzas, half of one with just cheese (one of the young ladies doesn't eat meat) and a box of jalapeno poppers, all from Papa John's. Looked and smelled delicious.

Due to more schedule conflict, Melanie wasn't available to personally pick up and deliver the food to Inspire House so she made arrangements with SI Riverside member JoAnn Moore to pick up and deliver for her. JoAnn also bought Dairy Queen gift cards for each of the young ladies to get dessert, dubbing the meal "Dinner Delight and Dessert." JoAnn, you're always ready to jump in and help WHEN and WHERE needed.

I was invited to join JoAnn for the delivery. We met in front of Inspire House where I added a bagged salad for the dinner. RA Briana and two of the other young ladies were home. We chatted for a few minutes, the ladies thanked us for the dinner and all the things we do for them.

On the way out, Briana had a bowl of candy from Halloween

and offered some to us. Thank you, Briana and Inspire House for the Baby Butterfingers.

President Edith Gingerich had the opportunity for providing dinner in November. She planned to provide a turkey dinner for them until we found out none of the young ladies would be there for Thanksgiving. RA Briana asked if the dinner could be the week before Thanksgiving.

On November 19th Edith ordered a delicious Family Meal, with some extras, from Antonio's Pizza. Dinner included salad, pizza, cheese lasagna, garlic butter cheese bread, hot wings and bread sticks.

Krista Langford, Resource Developer at Inspire Life Skills, sent an email to me asking if an SI Riverside member would sponsor one of the young ladies for Christmas gifts. Each one submitted a "wish list" with a total

amount of \$150. I forwarded the email to President Edith and suggested that instead of one member taking on the full \$150, maybe 15 members would be willing to contribute \$10 each.

President Edith sent the email to all of the SI Riverside members. The amazing ladies that all of you are donated a total of \$250!

We spent \$150 for the purchase of gift cards through SI Riverside member Carolyn Kegarice's Script Program which donates to SI Riverside a small dividend for each gift card purchased. Vice President Melanie McKee used the Script gift cards to purchase the gifts. They were delivered to me to gift wrap and deliver to Krista's office.

The additional money will be used for a nice Christmas dinner for the young ladies who reside at Inspire House. More details and photos of the gifts will be in our next newsletter.

Thank you to all the dear ladies of SI Riverside for your help and support. Happy Holidays!

Logo

In 2004, SIA conducted a marketing research study in which participants indicated there was a need to update and modernize the Soroptimist "look."

This led to the creation and adoption by SIA of the "S" logo to project the qualities of a contemporary and relevant organization. This "S" logo replaced the Soroptimist emblem as the official pin for all members of the SIA federation.

The "S" logo is a simple, stylish graphic representation of the modern Soroptimist organization intended to foster brand unity in today's environment. All SIA clubs are encouraged to use the "S" logo on their materials.
